## AudioWizard™

The AudioWizard sound system is the perfect way to introduce music into your steam room or shower. The AudioWizard is easy to install and is compatible with many audio sources such as portable music players and smart phones equipped with Bluetooth®.

The AudioWizard can be controlled with the iSteam steam-bath control or with the AudioWizard stand-alone control.

Just pair your Bluetooth® device and start playing your favorite music. Digital files or internet radio from your audio device will be streamed wirelessly to the AudioWizard.
