

GENERAL DESCRIPTION

Uniquely styled, the Santa Cruz PULSE ShowerSpa will transform your shower into a beacon of beauty and bold performance. The striking brushed bronze finish with chrome plated brass fixtures adds elegance to the everyday.

Offering a thermostatic valve, rainfall showerhead, waterfall showerhead, oversized body jets and brass hand shower that invigorate your body in soothing stimulation. Use each function independently or in any combination for the ultimate bathing experience.

PRODUCT FEATURES

- Surface mounted and completely pre-plumbed, easily retrofit your existing shower without a remodel
- Thermostatic valve allows you to leave the ShowerSpa set to your desired temperature
- Stainless steel panel with an electro-anodized brushed bronze finish for exceptional durability
- Dual-function rain and waterfall showerhead creates an awe inspiring profile
- Oversized body jets surround you with a soothing spray
- Invigorating hand shower with double-interlocking stainless steel hose, stretches from 59 – 78" (1.5 – 2m)
- Multiple diverters allow you to select functions independently or in tandem
- Run all your water pressure to one function or distribute to multiple functions
- Rub tips clean with Spray Straight™ technology
- Brushed-nickel fixtures compliment the matte bronze finish
- cUPC approved complete shower system
